Intrebarile primite si raspunsurile corespunzatoare

1. Se cere "1.6.Written confirmation authorizing the signatory of the Bidder to commit the Bid." Exista vreun model a acestei autorizatii e la producator, sau putem sa folosim exemplul de Appendix 4 de la Proiectul HG 16A?

"1.6. Written confirmation authorizing the signatory of the Bidder to commit the Bid." se refera la persoana cu drept de semnatura, cine este imputernicit sa semneze oferta.

2. In licitatie se poate merge in Asociatie? Daca Liderul de asociatie este compania din Republica Moldova, iar Asociatul –nerezident, poate oare Asociatul nerezident sa depuna din numele lui de la Banca din tara de rezidenta Garantia ofertei? Poate fi compania nerezidenta lider si compania locala asociat?

Da, asocierile sunt eligibile, in oricare dintre variante descrise, poate fi compania nerezidenta lider si compania locala asociat dar garantia se depune de catre applicant/liderul asocierii.

3. Spuneti-mi va rog daca la instrumentarul medical cerut in licitatie exista vreo imagine sau ne conducem doar dupa specificatiile tehnice?

Specificatiile tehnice nu includ imagini. Produsele trebuie sa corespunda cu specificatia tehnica indicata.

4. La pozitia B14- imi puteti va rog explica ce inseamna "instrument tray cover"?

Este un vas de forma dreptunghiulara in care se pastreaza instrumentele medicale si este acoperit cu un capac. Materialul si dimensiunile sunt indicate in specificatia tehnica.

5. La pozitia C2 –Refrigerator, cereti unul medical sau de uz casnic?

Frigiderul nu este obligatoriu sa fie medical.

6. La pozitia C5 – Dulap pentru medicamente- nu exista dulap medical construit din pal melaminat, respectiv doriti un dulap de la un producator de mobila local?

Dulapul nu este obligatoriu sa fie medical.

7. C4- Medical Bedside Screens- Construit din 3 paneluri cu lungimea de 180 cm. Noi avem in portofolio 2 variante: 3 paneluri- 144 cm sau 4 paneluri -190 cm, care din aceste oferte le ve-ti accepta, sa stim ce sa oferim?

Produsul trebuie sa corespunda cu specificatia tehnica indicata.

Questions received and corresponding answers

1. It is requested "1.6.Written confirmation authorizing the signatory of the Bidder to commit the Bid." Is there a model for this authorization from the producer or we can use the example Appendix 4 from project HG16A?

"1.6. Written confirmation authorizing the signatory of the Bidder to commit the Bid." refers to the person that is authorized to sign the offer.

2. Association is accepted to the bid? If the leader of the association is a Moldovan company and the associate is nonresident, than the later one can provide the guaranty? It can be that the nonresident company is the leader and the local company is the associate?

Yes, the association are eligible, in any of the situations described but the guaranty must be provided by the leader.

3. Can you tell us if there are pictures available for the requested medical instruments or we must follow only the technical specifications?

Technical specifications do not include pictures. The products must correspond to the technical specifications.

4. For item B14- can you explain what means "instrument tray cover"?

It is a rectangular shape recipient where the medical instruments are kept and it is covered with a lid. The material and the dimensions are given in the technical descriptions.

5. For item C2 –Refrigerator, it is requested of medical or domestic use?

The refrigerator is not mandatory medical.

6. For item C5 – Cabinet for drugs- there is no medical cabinet build of melamine fiber-board, respectively it is requested a cabinet from a furniture local producer?

The cabinet is not mandatory medical.

7. For item C4- Medical Bedside Screens- build of 3 boards length 180 cm. We have 2 versions: 3 boards- 144 cm or 4 boards -190 cm, which one would be acceptable, to know what to offer?

The products must correspond to the technical specifications.

Sincerely,

Galina Lesco
